

# GC CAMPING INFORMATION YELLOW ZONE

Version 1  
4th July 2025

## Marquee & Power

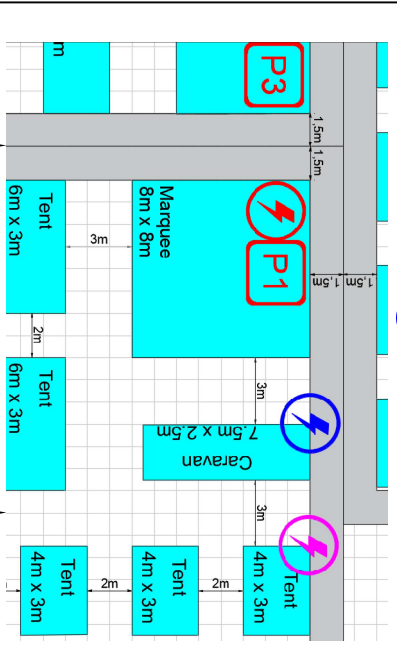

Newday will locate your marquee near the supply power, if the marquee, Accessibility, 16a supply is move away from the position given. There could be a problem with powering your site.

## New Power Symbols

Power Package

Accessibility Supply

Single 16a Supply

This boundary line will be marked on the ground  
Grid: 1 square = 1 metre  
Do not pitch tents in the grey shaded area

## Space between tents

- 1.5m from your boundary line is shown in grey on the drawing and should be maintained at all times. This is from the main body of any tent, marquee or caravan.
- 2m gap between all tents should be maintained
- 3m gap must be maintained around cooking tents, caravans and camper van.

We have allocated more space for cooking tents/marquee. More space allocation around site obstruction. E.g EC, TP

## Any questions?

For more camping detail please refer to the **Group Coordinator Hand Book**, which is available to download from the Group Coordinators' Office. If you are still unsure of anything, please contact the bookings team.

**All Utility line are an approximation**
