Social Venues

THE VENUE

The Venue is the night time hub of Newday. With live concerts, DJ nights and party vibes, we'll be bringing you different music every night. Grab your mates and get down.

The Prayer Space offers a place for individuals and groups to escape the noise and busyness of the main site and spend some time seeking God. The area will offer lots of creative ways to help you to pray and engage with our Father in Heaven. Members of our red cap prayer ministry team will also be available at all times to offer one-to-one and group prayer, so go and find them even when it's not the main meeting time.

METaverse

アミューズメント施設

Immerse yourself in one of our epic VR games: challenge your mates, top the leaderboard and watch the action from the screens at each station. Fancy something a bit more hands on? Bring a team, or join one, and play our new Laser Quest game! Finish it off by grabbing a Slushy from the Metaverse bar.

The Cow Shed is our milkshake-making machine! We serve up the tastiest milkshakes this side of the pond and create a focal point for people to get together, chill and have fun. The vibes in the Café are gonna be loco. Expect a fast-paced, messy, loud, crazy Café with people who love Jesus; oh, and a couple of cows thrown in as well. MOOOOOOOOO. [@newdayCowShed](#)

The Lounge showcases live music and the arts. There will be loads going on, including open mic slots for musicians, singers, rappers, poets or even comedians. Whatever your creative talent, The Lounge is the space to let it flow. [@newdaythelounge](#)

In Sports you'll find basketball, table tennis and netball in the Sports Hall. On our outdoor pitches we'll have football, touch rugby and dodgeball competitions over the week. Sign up for all competitions takes place the evening before in the Sports Hall. [@newdaysports](#)

RockSalt is where you can grab a bite to eat from one of our awesome food vendors. This year we have pancakes, noodles, bbq, donuts, ice cream and even more tasty treats. [@newdayrocksalt](#)

'Yth Cltr' is the perfect location to catch up with friends in a chilled out atmosphere. Serving espresso-based drinks, our menu will also include moreish doughnuts plus a variety of quirky hot chocolates and toppings.

With a chilled out vibe and plenty of space for you and your mates, 'The Common Room' is our BRAND NEW venue for 2019, built exclusively for 17 & 18 year olds. Only those with an official Common Room wrist band can get in, so make sure to pick up yours and come grab yourself a cold drink whilst hanging out amongst the tropical plants.

Every evening after the main meeting we will be showing a feature film in the Cinema. Check out the board in front of The Depot for details of what film is showing and when. [@newdaythedepot](#)

Dear Newday-ite,

We've loved having you here, so why not join us again around the same time next year!? The party commences **Monday 31 July - Friday 4 August**. As always, dress code is strict 'summer vibes' only, but do prepare for all weather eventualities - bring wellies, brollies, crocs, sunnies, beanies, onesies and any other classic British 'summer' gear you see fit.

Please keep all hands in the vehicle throughout the ride, but do feel free to bring along any newbies, as any new churches coming to Newday 2023 will get in **half price**.

See y'all next year!
High-fives and good-vibes,
