## VERSE 1

**D** **A**  
There's no better day to be living in  
**D** **A**  
Now the price is paid for our salvation  
**D** **A/c#**  
Love has made a way on that wooden cross  
**D** **A**  
Breaking every sin that separated us

## PRE CHORUS

**D** **F#m**  
I'm living in the day of grace, falling out of shame and into freedom  
**A** **Bm**  
Staring at the cross amazed in the wake of all You've done  
**D** **F#m**  
So if it's ever time to celebrate, if it's ever time to dance like no one's watching  
**A** **Bm**  
We're living in the promised days! So let the party go on and on

## CHORUS

**D** **F#m**  
We can dance, we can sing with You all night  
**A** **E**  
So we're celebrating You with our hands high  
**D** **F#m** **A** **E**  
You bring the dead to life, You bring the dead to life  
**D** **F#m**  
We can sing, we can shout 'hallelujah!'  
**A** **E**  
In the freedom that we've found in the Saviour  
**D** **F#m** **A** **E**  
You make us come alive, You make us come alive

## VERSE 2

**A** **A Bm**  
It's the promised day we've been waiting for  
**F#m** **F#m D**  
God is not constrained to clouds or temples  
**A** **A Bm**  
Curtain torn in two, Spirit breaking out  
**F#m** **F#m D**  
And the fire of God is burning in us now
