

SOLID GROUND

(THIS IS THE DAY OF FAVOUR)

ANNA BRADING

SUGGESTED TEMPO 114 BPM

KEY: E

VERSE 1

This is the day of favour
Good news is in the air
Hope has arrived in Jesus
Our rescue starts right here

PRE-CHORUS

Oh, what kind of love
Searches the dark
Trades all He's got to bring us home?
What kind of grace
Runs to our aid
Lays down His life when we're sinking?

CHORUS

Your love has turned us around
Set our feet on solid ground
Set our feet on solid ground
Your faithful love has turned us around
Set our feet on solid ground
Set our feet on solid ground

VERSE 2

Beauty instead of ashes
Mourning replaced with joy
Praises instead of sorrow
Victory is our cry

MIDDLE 8

We hear the sound of Your miracles
Bringing hearts to life
Bringing strongholds down
We're running out of the prison doors
Running into life
With our chains undone
With our chains undone
