KEY: C

ANNA BRADING, SIMON BRADING,  
PETE COGGAN, LEWIS MORGAN

## VERSE 1

From the beauty of morning sunrise  
To the starlight that pierces through the night  
It's all from You, so I say thank You  
From the favour on each horizon  
To the rhythm within my beating heart  
It's all from You, so I say thank You

## PRE CHORUS

I've got air to breathe  
Life to live  
All a gift of love

## CHORUS

I want to thank You all my life  
I want to thank You day and night  
I cannot say it enough  
I'm grateful for Your love  
I want to thank You through the darkness to the light

## VERSE 2

For Your beautiful plan to save us  
Sending God as a man to bear the cost  
You fought for me, so I say thank You  
For Your Spirit, the fire within me  
For the rest of my life to know You more  
You walk with me, so I say thank You

## PRE CHORUS 2

I've got air to breathe  
Life to live  
All a gift of love  
You have paid my debt  
Died my death  
I'm at peace with God

## MIDDLE 8

For all the star filled skies, all the gifts to find  
I just want to say thank You  
For giving up Your life in the place of mine  
I just want to say thank You  
In every season change, even while I wait  
I just want to say thank You  
And every time I fail but You love me just the same
